# HERO FORGE®

## CHARACTER CUSTOMIZER

Hero Forge® is an in-browser character creator that allows you to design gorgeous, high-resolution custom characters in full 3D and color.

## COLOR STANDEES

Laser-cut, highly durable, and featuring vibrant color, Hero Forge Color Standees are easy to assemble and transport, providing an excellent alternative to standard miniatures.

## COLOR-PRINTED MINIATURES

With Hero Forge Color-Printed Miniatures, you'll never need to pick up a paintbrush. The color is added during the printing process, resulting in table-ready minis right out of the box.

## DIGITAL MINIATURES

Hero Forge offers STL files for both resin and filament home printing. Prefer playing in a digital space? Get 3D Digital Miniatures and tokens for use in Virtual Tabletops.

Save 5% on physical miniatures\* with code **FLAMECONX**

## ACCESSIBILITY INFORMATION

Each year Flame Con strives to make itself as accessible as possible. **Allies**, there are many ways you can help make Flame Con a more welcoming and enjoyable experience for disabled people. Please familiarize yourself with the information below.

## NAVIGATION

### Elevators

There are two separate banks of elevators, including a set that goes directly to the upper floors where hotel rooms are located. There's an elevator in the Lower Level to bypass the stairs to the Gaymer Lounge.

### Information Table

Info Tables are available on Floors 2 and 3 of the convention space. Additionally, if you should need assistance or have concerns, visit the info table and we'll help in any way we can.

### Clear Paths (Allies)

The hall space between areas can easily become full of people, please help maintain a clear traveling area and do not sit or stand in designated traffic paths.

## BATHROOMS

### Gender Neutral

All restrooms at Flame Con are gender neutral.

### Sanitary & Sharps Disposal

All stalls are equipped with sanitary disposal and all bathrooms have a sharps disposal receptacle.

### Wheelchair Accessible

Each floor has single occupancy, wheelchair accessible bathrooms. These are located near the elevators.

**Allies**, please avoid using wheelchair accessible bathrooms when possible.

### Menstrual Health Products

If you require menstrual health products, you may get them at the Flame Con info tables.

## QUIET SPACE: QUIET LOUNGE

This space is for anyone needing a quiet place to sit and be away from the crowds, no matter the reason. And please be respectful of those needing this space by refraining from eating, playing music, or having conversations in the space.

## SERVICE ANIMALS

Flame Con follows all current regulations as defined by the ADA. All service animal handlers must be in control of their service animals at all times. Service animals will be expected to be reasonably quiet and well-groomed, and will be entirely the responsibility of their respective handlers. Any service animal found to be out of their handler's control, aggressive, or un-housebroken will be asked to leave. In this case, the service animal's handler may be allowed to return without the animal and offered reasonable accommodations.

**Allies**, please refrain from interacting and distracting service animals. This includes not petting, distracting, or taking photos of service animals.

## AIR QUALITY

### Smoke Free

Flame Con is a smoke / vape free environment. There are designated smoking facilities outside.

## Low Scent

Flame Con is not a fragrance free space, but we do encourage everyone to limit the use of strong scents.

## PANELS POLICY

### ATTENDING PANELS

- Panel seating is limited to a first come basis.
- Lines outside of rooms are not permitted.
- Panel doors will be closed when each panel starts.
- You may arrive to a panel late, please enter quietly and be respectful of speakers.
- Water is available in each panel room.

### ACCESSIBLE SEATING

- Accessible seating is available and reserved in the front and back of each room.
- Accessible seats are marked on the top of each seat.
- You may also request assistance from a Flame Con volunteer if needed for anywhere else in the room.
- Space for wheelchairs, mobility devices and service animals is available in accessible seating rows.
- Leave space for those that need accessible seating, please move if asked.

## WEAPONS POLICY

Flame Con will not allow the following items:

- Any weapon of any kind—bladed or projectile—that looks or feels real.
- Any kind of gun or simulacrum of a firearm.
- Any prop that is heavy, hard, or sharp enough to injure a person.

## HARASSMENT POLICY

Flame Con has a ZERO TOLERANCE POLICY for harassment of any kind including but not limited to:

- stalking
- intimidation
- offensive verbal comments
- physical assault and/or battery
- harassing
- non-consensual photography or recording
- sustained disruption of panels, signings, and other events
- bathroom policing
- inappropriate physical contact
- unwelcome physical attention in relation to, but not limited to: race, color, national origin, gender, gender identity, gender presentation, sexual orientation, age, body size, disability, appearance, religion, citizenship, and/or pregnancy

Anyone can report harassment. If someone's behavior has made you uncomfortable, or if you witness the same happening to someone else, you should immediately contact one of the Flame Con organizers or volunteers.

Report harassment to Flame Con staff. If a person engages in harassing behavior, Flame Con staff will take prompt action in any form they deem appropriate, including expulsion from Flame Con with no refund. Our policy applies to EVERYONE at the convention. Remember: Cosplay is not consent. Keep your hands to yourself. If you would like to take a picture with or of another fan, always ask first and respect that person's right to say no. Be respectful, be nice, be cool, and be kind to each other.

# 2024 COVID-19 Policy

## FACE COVERINGS

In order to limit the spread of contagious illnesses, all attendees are required to wear face masks while indoors in the convention space.

Face coverings should be close-fitting and cover your nose and mouth, and must be worn in addition to costume masks.

Face coverings can be momentarily lowered if eating or drinking. Panelists may remove their masks while on stage, but should not physically engage with attendees while unmasked.

## SOCIAL DISTANCING

This year's event is being physically designed with more space to promote social distancing. Wherever you can, please leave distance between yourself and others, and avoid physical contact like hugs or handshakes.

## SANITIZATION

This includes precautions like enhanced cleaning procedures and additional sanitation stations throughout the building.

We ask that all attendees sanitize and/or wash their hands as often as possible.

The Sheraton Hotel's HVAC system has also been updated with MERV-13 filters, which meet CDC recommendations for air filtration.
